*“Beauty in design results from purity of function”*

Noland & Associates was founded in New York City in 1984. Prior to establishing her own design firm, Deborah Noland practiced for many years with top design firms such as Skidmore Owings & Merrill in New York City, and Odell Associates in Charlotte.

Noland & Associates is uniquely qualified to formulate, propose, and execute creative design solutions in an efficient and professional manner. From renovating one room – to partnering with architects and builders in the conceptualization, blueprinting and building of a new home – Noland & Associates bring an entire suite of professional design skills and industry relationships to each project that they undertake. This includes:

- Defining your style and identifying your specific needs
- Assessing layout, accessibility, functionality, sustainability and flow
- Balancing aesthetics and usability
- Integrating colors and materials for walls, floor coverings, window treatments, upholstery, accessories, and accent areas
- Providing an extensive selection of furnishings, fixtures, art and accessories not readily available at retail
